Lab Scavenger Hunt Directions

• 2 people from each team enter into the lab with the Game Sheet on a clipboard and a pen.
• Game Sheet has numbers (corresponding to the numbers on the panels) with two columns stating whether it is a violation or not a violation.
• 36 numbers in total - there is a mix of violations and non-violations.
• 1 point each given for a correct answer.
• Each team has 2 minutes to mark on sheet of paper
