October 23rd
Diversity in STEM
Materials and Strategies for Success

Engage in meaningful conversations about how to successfully achieve diversity in materials science at all levels of the academic and career pathway by considering the topic through the lenses of several focus areas.

For additional information contact Kathleen Gehoski at kag31@psu.edu or 814-865-7443

Featured Guest
Dr. Linda Sapochak
NSF Director
Division of Materials Research

Share personal experiences, opinions, and ideas

Explore critical issues for underrepresented STEM populations

Network with Government, Industry, and Faculty Leaders
